EMBLEM OF REVOLT IS LAID TO PRISONER

Prosecutors Aim to Trace Conspiracy Clear to America. Evidence Shows Britisher Aided Germans.

(By Review Leased Wire.) LONDON, May 15 .- The writing of a new chapter of the history of the 5.nn Fein rebellion was begun today, when Sir Roger Casement Knighted in 1911, for services to the British government, and Daniel Julian Bailey, an Irish private soldier, one of his companions on the ill-fated submarine trip from Germany to Ireland, were placed in the dock of the Bow Street One Killed, Nine Wounded, police court for preliminary examina

tion on the charge of high treason. While considerable testimony introduced by the crown tended to incriminate Bailey, the main attack of the prosecution was directed against Casement in an endeavor to enmest: him in a net of evidence which would establish without question the leading part it is claimed be played in the

It was evident that no ordinary prisoner was before the bar, for despite the unkempt condition of his clothing he made a striking figure, neatly trimmed beard and hair brush-ed well back from a high forehead. underneath which was the deep set eyes of the dreamer.

to the attention to showing how Casement to attention to showing how Casement to the revolt is said to have started to the alleged recruiting for his Irish brigade in German prison camps. The most dramatic part of the attention of the War Depart which will be made the subject of special protest is the custom of taking to special protest is the cust Smith, who outlined Sir Roger Case. They were taken last Wednesday un-

The Attorney General introduced are other striking feature when he passed in his speech to produce in court the flag which it is asserted Casement and his companions brought from Germany to Ireland. This was the embedding of the subject of the su many to treiand. This was the emblem of revolt—a green flag with a yellow castle upon it and under the prisoners participate d,was not quellcastle the metto:

"Urbes antiqua fuit studiisque asperima belli."

Casement's attorney made little atquestions seemed to be to show that quiet tonight. the freedom of Ireland was the only involved and that the brigade was not to attempt to assist Germany. Further testimony will be introduc1 by the crown temorrow.

RESIDENT TALKS TO PRESS

WASHINGTON, May 15 .-President Wilson spoke inti-mately for half and hour to-night to the members of the National Press Club here. He remained at the club through-out the evening, staying for a supper after his address. The speech was confidential but may be published later. * * * * * *

WASHINGTON, May 15. President Wilson today made available to entry of homestead-ers more than half a million acres of land in the Dixie National Forest in Arizona. About one-fourth of the area already has been filed on by forest homesteaders.

The land withdrawn is Mojave county and is described as valuable for grazing purposes.

FRANCE NOT THROUGH.

PARIS, May 15 .- The speech President Poincare at Nancy on Sunday, in which he declar-ed that France did not want Germany to offer peace, is widely commented today by the newspapers as the final and authoritative announcement of the French policy on the sub-ject of peace. The Temps says: "The discourse of the Pres

ident of the republic is more than an impressive oratorical manifestation and there is no need for deception either at Berlin or in the capitals of neutral countries where the idea of eventual mediation is enter-tained among those without responsibility. The president's a f-dress expressed the sentimenta profoundly rooted in the hearts of all good Frenchmen, and against which no questionable maneuvre will ever prevan.
